

Glostrup Sundhedshus

The health center of the future for clinics, wellness & health

In the center of the city

The upcoming Glostrup Health Center will be centrally located in Glostrup by the station

Easy access

Escalators and lifts can take directly from the basement level, where all S-train passengers go through to the ground floor

Parking

Plenty of parking spaces (also with direct access via elevator) as well as bicycle parking

Public transport

Bus, S-train and the upcoming light rail are within 200 meters range

Location

Glostrup Sundhedshus

Glostrup Mall

Station

The vision is to bring together physicians, health, wellness, and wellness

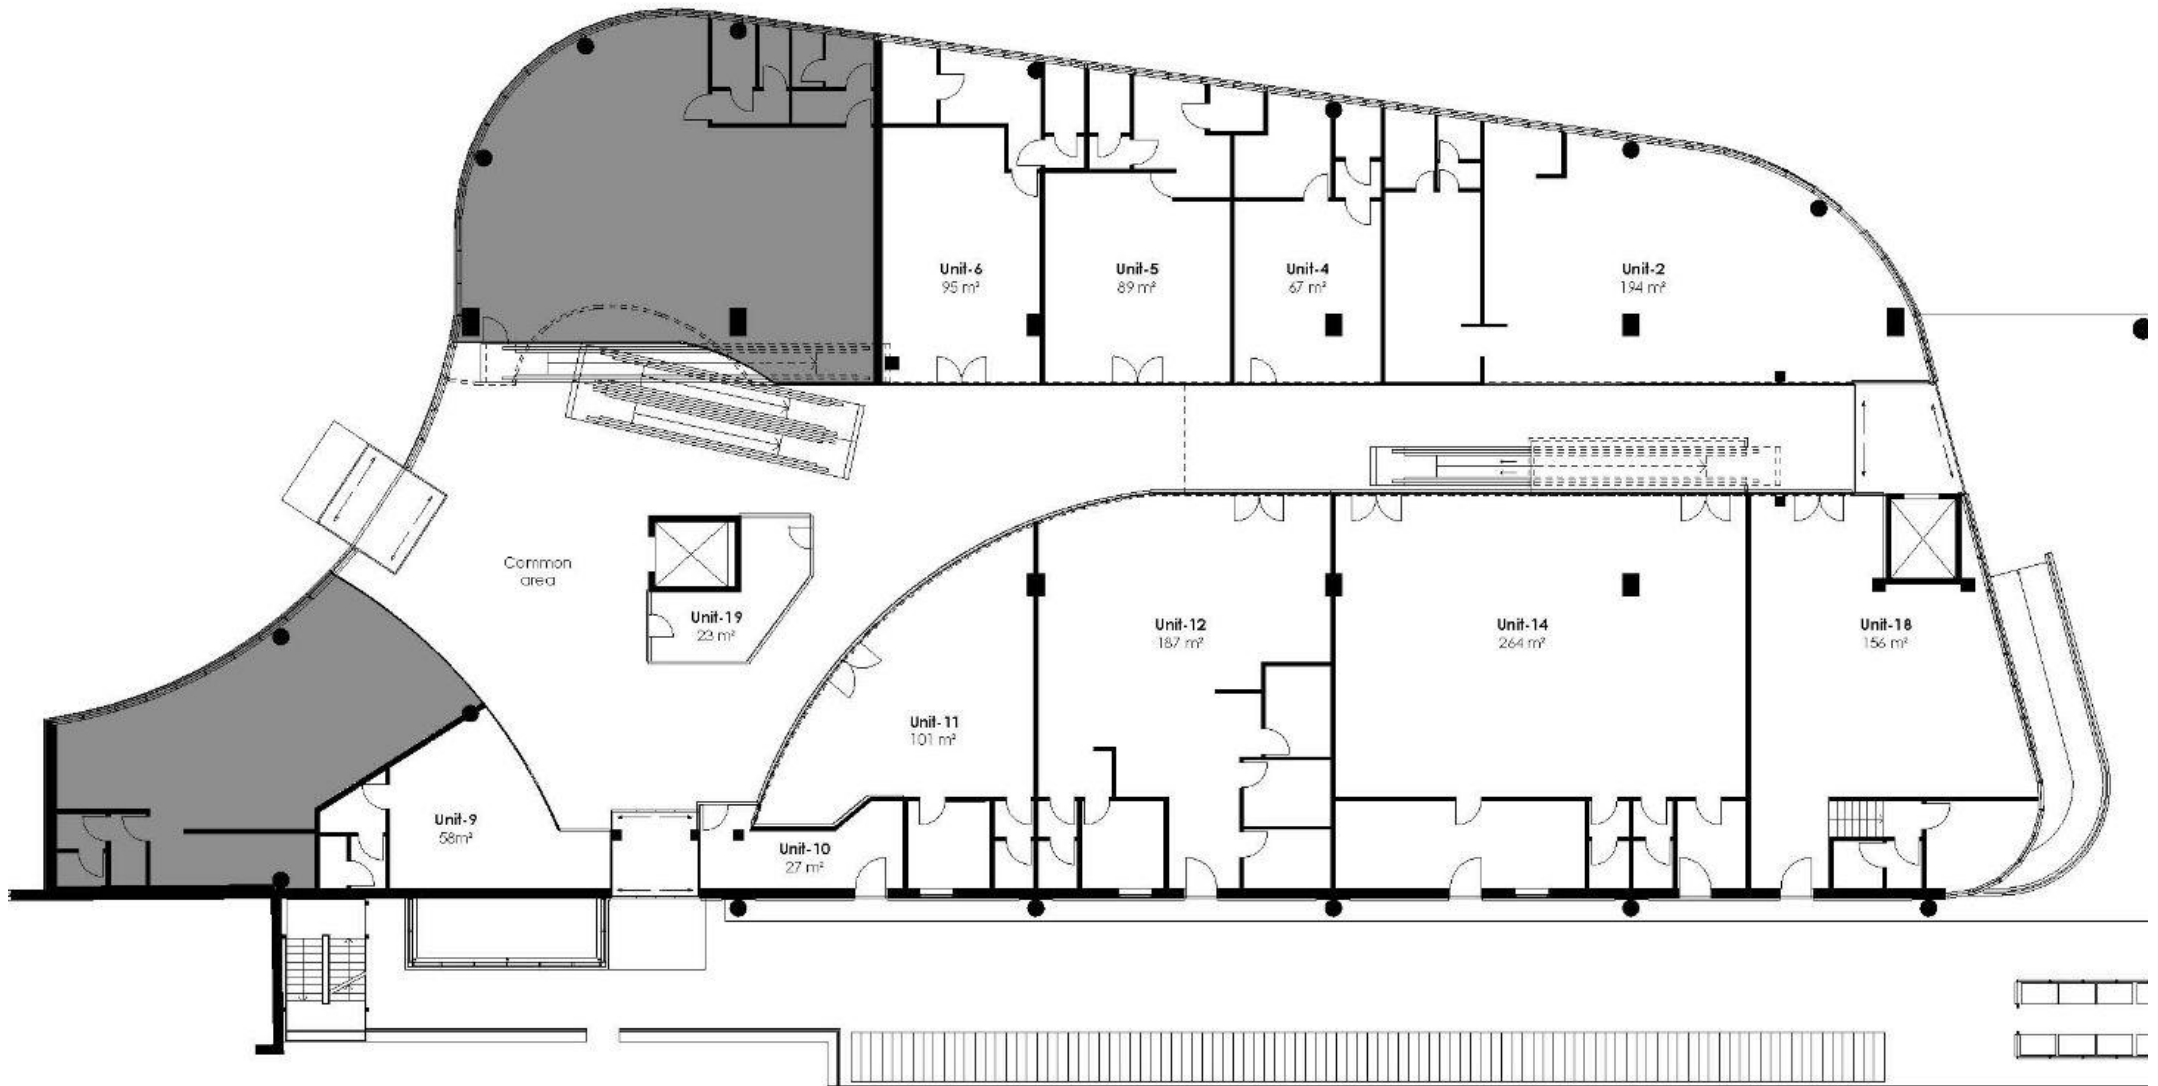

- With clinics across the professional groups, there will be the opportunity for professional sparring
- Modern bright rooms with high ceilings
- Disabled friendly and with customer toilets
- The corridor area as a landscaped area with plants and seating
- The area is fenced off after closing time
- Flexible interior whether you want 50 m² or 200 m²
